Premera health plans

FOR AMERICAN INDIANS AND ALASKA NATIVES

Premera Blue Cross Blue Shield of Alaska has health plans to meet the needs of American Indian and Alaska Native (AI/AN) members of federally recognized tribes. These plans provide access to local and national providers.

Ways to save

If you are an enrolled tribal member and your income is between 100% and 400% of the federal poverty level, you may qualify for savings when you buy a Premera AI/AN health plan through healthcare.gov.

Lower monthly bill

If your income is between 100% and 400% of the federal poverty level, you can get help with your monthly bill. You also can get a tax credit either in advance or when you file your tax return.

No out-of-pocket costs

If your income is at or below 300% of the federal poverty level, you could pay zero out-of-pocket costs—including deductibles, copays, and coinsurance. These costs are waived when you get care from an in-network provider, an Indian Health Service (IHS facility), or an urban Indian clinic. Costs are also waived if you are referred to an out-of-network provider by an IHS or an urban Indian clinic.

Do you qualify?

AI/AN plans are only for enrolled members of federally recognized tribes. Family members who are not enrolled members of a federally recognized tribe may still be eligible for IHS or urban Indian clinic services and can separately purchase other plans from Premera. Their income may also qualify them for a tax credit.

To see if you are eligible for savings, please view the federal poverty guidelines from the U.S. Department of Health and Human Services at aspe.hhs.gov/poverty-guidelines.

Members of federally recognized tribes can buy a plan through healthcare.gov. You don't need to wait until open enrollment.

Know your plan options

Premera offers **gold, silver, and bronze plans** to fit your needs and budget. Metal levels refer to how members and plans split the costs of care. They do not refer to plan quality. AI/AN members may receive cost-sharing subsidies through any metal-level plan.

Premera Preferred, Alaska One, and Standard plans are available to residents of the state of Alaska.

The Alaska One plan does not cover elective abortion.
