FOR INDIVIDUALS AND FAMILIES

Premera Blue Cross Blue Shield of Alaska is always in your corner. Wherever you are, we've got you covered.

Open enrollment runs from November 1 through January 15.

Premera standard plans are available to residents in the state of Alaska.

Some life events allow you to sign up for a health plan outside of open enrollment.

Visit premera.com/special-enrollment to find out more.

Choose your providers

Choose the Legacy and Dental Select network providers who are the right fit for your primary, urgent, specialty, alternative, and hospital-based care. The Find a Doctor tool makes it easy at premera.com/find-a-doctor.

Be covered for the important things

Get preventive exams, screenings, and vaccinations at no extra cost to you.

Essential healthcare benefits include maternity and newborn care, emergency visits, prescription drugs, and mental health support.

Get virtual and 24/7 care

Video chat with a **Doctor On Demand** provider for everyday, urgent, and mental health care.

Access video-based opioid use and alcohol use disorder treatment (for ages 18+) from the privacy of your home with **Boulder Care**.

Call the **24-Hour NurseLine** to get no-cost advice about how to treat symptoms or when to seek additional care.

Secure and convenient access to health information

Manage your health plan anytime with your online Premera member account. Log in to access your digital ID card, view plan documents, look up claims, compare procedure costs, make payments, and more.

Stay informed about your healthcare by opting in to personalized text alerts on your mobile phone.

Dental care for your oral health

Pediatric dental benefits cover a range of preventive, diagnostic, basic, and major dental services.

Adult dental benefits cover routine dental care like cleanings, exams, and X-rays.

Medical transportation benefits

Premera plans provide travel benefits to cover costs when you need to travel for essential medical care. The medical access transportation benefit reimburses you for round-trip air or ground transportation to the nearest in-network provider when local care isn't available.

The Elective Procedure Travel program reimburses you for certain travel expenses to the Seattle area for preapproved, non-emergency procedures.

Get more

Wellness: Get discounts on fitness programs and memberships with Active&Fit Direct.

Prescription savings: Save on your prescriptions by using our Express Scripts mail-order pharmacy and Rx Savings Solutions program.

Care management: Get support to coordinate care, navigate the healthcare system, or manage chronic medical conditions.

Know your plan options

Premera offers **gold, silver, and bronze plans** to fit your needs and budget. Metal levels refer to how you and your plan split the costs of your care, not the plan quality.

Use **in-network** providers and facilities for the greatest savings. Out-of-network care is not covered, except for emergencies.

Cost-sharing for **essential health benefit services** provided by preferred and non-preferred providers accumulate toward meeting the annual in-network out-of-pocket maximum.

Cost-sharing reductions (CSR) are discounts that lower the amount you pay and are only available to qualified households on silver plans.
