

# Formulary G3 (Drug List Changes)

## UPCOMING CHANGES Effective 04-01-2025

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, we may make changes to the formulary. For example, we may:

- Add or remove drugs from the formulary
- Move a drug to a higher or lower cost-sharing tier
- Add or remove a restriction on coverage for a drug
- Replace a brand name drug with a generic drug
